Sir,

Subject -Employment of Part-time Operator for the Town Hall
Radio Booth on Rs 10/- p m , and enhancement of the allowance
paid to the operators from Rs 5/- to Rs 10/-
=====

I have the honour to state that the whole time operator, sanctioned in G O No L 12040-2/ml 11-44-127 dated 13-6-1946, to be in charge of microphone and Radio apparatus in addition to the operation of the Radio at the Town Hall, has not been able to attend to both the works in view of the increased demand for fixing microphones and loud-speakers for public and private functions, as the hours of attendance on this account, clash with the hours of the Radio operation. Complaints were also received about the non-working of the Radio in the Town Hall on days when the operator was otherwise engaged in fixing microphones and loud-speakers. The question of employment of a separate part-time operator for the Town Hall on Rs 10/- p m , and also of the enhancement of the allowances of the operators working at the other Radio Booths from Rs 5/- to Rs 10/- in view of the fact that these have to work continuously for 3 hours from 6-45 to 9-45 p m , was under the active consideration of the Managing committee who after due examination of the question, recommended the employment of an additional part-time operator for the Town Hall on Rs 10/- p m , and also the enhancement of the allowance from Rs 5/- to Rs 10/- p m , for the ^{other} Radio operators. The council have duly approved the same at their meeting held on 30-11-1946.

In enclosing herewith the copies of the resolutions of the Managing Committee and of the Municipal Council in this behalf, I request you kindly to obtain sanction of the Government to the employment of an

additional part-time operator on Rs 10/- p m , and also to the
